

50/50 Rule Changes

The Des Moines Buccaneer Booster Club puts on a 50/50 Raffle during each home game in which one lucky fan walks home with half of the net proceeds from that day's raffle ticket sales. The other half of the proceeds benefit the Des Moines Buccaneers Booster Club.

- No one under the age of 21 will be able to purchase 50/50 tickets or claim the 50/50 winnings
- There will be only **ONE** ticket drawn for the 50/50 winning number
- The winning 50/50 number will be announced during the 3rd period of the regulation hockey game
- The 50/50 winner will need to present the winning ticket at the scorer's bench before the end of the **regulation** hockey game.
- The 50/50 money that is not claimed will be put into the Des Moines Buccaneer Player Scholarship Fund.

One behalf of the Booster Club would like to thank you for purchasing your 50/50 tickets through out the season. The money that is raised is used for a myriad of events including:

The 50/50 winning ticket number will be placed on the Des Moines Buccaneers Booster Club website with a "Claimed" or "Not Claimed" status listed beside it.
